1. The Barn appreciates any donations that anyone can offer for the event. We would appreciate if donors could bring the donations the morning of the event with a price tag on items . We prefer items be delivered by 7 AM because buyers will be showing up early.
2. Vistacom will provide covered tables. Please bring a chair if you want to sit.
3. For those that can't attend or for those with large items (such as furniture, treadmills, electronics, etc.) you have two choices: deliver the items in advance to Vistacom to be stored or we can have someone pick these up in advance at your house. We prefer to schedule pick up on the Thursday or Friday before the event if possible. For scheduled pick-ups, please contact Audrey Ferlino: aferlino@hotmail.com or 610-413-6230
4. If you have a lot of smaller items, you may want to tag a bag or box of items for a fixed price (.50 or \$1.00 per item) or you may want to create a bag or box of items for a fixed price (i.e. all items in bag for \$5.00).
5. We are opening up a limited amount of tables to individuals that would like to make their own money from the sale. These spaces will cost the individual \$25.00 per space. Friends and others are welcome to buy spaces but they will have to manage their own space. Please contact Audrey Ferlino: aferlino@hotmail.com or 610-413-6230
6. Any items remaining from the sale should be removed by the individual. Anything left behind will be donated to Good Will.
