

Woven Welcome Workshop

Make Community

Lead by the Allentown Art Museum

Saturday, July 11 from 10AM - Noon
412 Chestnut St. Emmaus

The 412 Community Arts Team invites you to participate in this **FREE** workshop with Jill Odegaard. The 412 Community Arts Workshop will create woven rugs for an ongoing exhibit at the Allentown Art Museum. Please bring in red, white, and blue materials to donate in the creation of the rugs. For example, you can bring a red T-shirt which has a special meaning to you. You can share the story, and your T-shirt will become a part of this special exhibit sharing art and the stories of people from our local community.

Until October 11, 2015, the results of Woven Welcome's collaborations will be on view as an art installation in the Allentown Art Museum.

To register contact Joanne: joanne@thebarnlv.org or 484-221-8856
Space is limited, and spots will be allotted to the first participants to register.
